**Intermediate Entry** - 1<sup>st</sup> year in an organized youth shooting program at the Junior High level

#### **Rookie (5<sup>th</sup> grade and below)**

#### **Young Adult ( ages 22 and below)**

### ***BUMP-UP RULE***

Squads are to be constructed **first** according to category. (For example, a competitive squad would be all Varsity shooters or all Intermediate Advanced shooters) If a team has **less than three shooters in skeet or sporting clays and less than five shooters in trap** in the same category, you may “bump-up” a shooter or shooters from a lower category to fill the squad. The squad then assumes the highest shooters category on that squad. However, the shooter or shooters who are bumped up maintain their own category for individual awards. (For example, a squad with a single Varsity shooter and four JV shooters competes in the Varsity category, but all JV shooters compete for Individual awards in JV). Bump-up are only allowed in the Junior Varsity and Intermediate Advance categories. Bump-up are not allowed to the Rookie, Intermediate Entry or Young Adult divisions

### ***SAFETY RULES***

All competitors must wear ear protection and safety glasses in all events.

All competitors must wear closed toe and closed heel footwear while on the shooting line.

All competitors in the skeet and sporting clays events are required to wear a hat with brim forward.

The use of toe pads or resting the firearm barrel on any part of the foot is prohibited.

Actions are to be open and guns unloaded between stations and posts and when in transport to and from the field. Recommend barrels on automatics and pumps be carried so that the barrel is up above the head.

In all events while waiting your turn to shoot actions are to remain open until your turn to fire.

***OTHER RULES AND INFORMATION:*** For rules and information not already listed here regarding shotguns, shotshells, range safety, personal conduct and attitude, shoot-offs, appeal process, general scorekeeping rules, protests and disqualifications, coaches and participants refer to the **YSSF Handbook** located on the website.

### ***AWARDS***

**Team-** Teams compete in one of the three divisions; Varsity, Junior Varsity or Junior Club. First, second and third place trophies are awarded in each Division. For trap winners are determined by the 5 highest team scores in Varsity, the 5 highest team scores in JV. and the 5 highest team scores in the Junior Clubs (combined Intermediate Advanced, Entry and Rookie categories).

Skeet and Sporting Clays are determined by the 3 highest team scores in Varsity and Junior Varsity, and the 3 highest team scores in the Junior Clubs (combined IA, IE & Rookie).

**Squad** - Competitive squads compete in the six different categories, Varsity, Junior Varsity, Intermediate Advanced, Intermediate Entry, Rookie and Young Adult. First, second and third place trophies are awarded in each category. The total score of the 5 squad members in trap except Rookie is 3 and 3 squad members in Skeet and Sporting Clays determines winners.

**Individual** - All Individual shooters regardless of their squad status compete in six divisions, Varsity, Junior Varsity, Intermediate Advanced, Intermediate Entry, Rookie or Young Adult. First through third place trophies for all categories will be awarded. The individual shooter's total score determines winners.

**High Individual Over All, ((Up Through High School), and Young Adult)** – Only competitors with the highest combined score in skeet, sporting clays and trap.

**High Team Over All, (Up Through High School)** The highest combined individual scores in skeet(top 3 scores), sporting clays(top 3 scores) and trap(top 5 scores) for Teams with a minimum of 5shooters, all shooting in all three disciplines,
